Vol. 24 No. 7 FRIDAY 2nd AUGUST 1991

Established 1968 Price 40 cents

"MATHINNA - GREAT HALL OF PARLIAMENT HOUSE CANBERRA"

Mary Hardman
President

HOW WE DID IT.

By hard work - Guts and determination.

WHY DID WE DO IT.

Mathinna was entered in the Tidy Towns Competition in 1988 without any of the residents knowing about it.

I was really mad about this because the report commented about the school post and rail fence which I had been writing letters to the Education Department about since I had arrived in Mathinna. I phoned Alison Sherlock, Keep Australia Beautiful, Hobart, to register my complaints (It was a silly thing to do - I'll learn to keep my big mouth shut eventually!) and by the time I had got off the phone I'd entered Mathinna in the 1989 Tidy Towns Competition. I thought it would mean "picking up a few papers"!!!

COUNCIL HELP.

We had a meeting and decided that one of our first projects would be to plant an avenue of trees up the main street. The town had previously been given permission to do this as a Bi-Centennial project but it had never been done. Some people objected to the trees being planted and advised local councillors. Council asked us to halt the tree planting until agreement could be reached. This was probably the BEST thing to happen to Mathinna because people learnt about "people power" and it brought the people together.

There were so many residents to meet the council when we had the meeting that a visitor to the town thought he had come to the wrong town. How often do you see 30 or 40 people in the main street of Mathinna. The council opposition got Mathinna much publicity.

SUCCESS BREEDS SUCCESS

We actually went ahead to do amazing things. Who would have thought a handful of men, more ladies and all the kids could paint two churches and clean up a whole cemetery - NOT I - but we did.

The Mathinna school motto is, "If you think you can - you can. Do your best." So we tried to give the town the motto.

The council and Forestry Commission became our biggest and best helpers. In 1989 we won the best Small Town in Tasmania. Then in 1990 we won the best town in Tasmania and that is how 2 representatives from Mathinna came to get to the Great Hall of Government House Canberra and compete for the National Tidy Towns Competition.

In 1990 we continued our projects much of the work was finishing projects started in 1989. Upgrading of the Recreation Ground was a big challenge. Eventually we found it was too big for Mathinna alone and we had to ask for Council help.

GARY GRAU

Local artist - Gary Grau helped to brighten the town with murals. Because we had helped ourselves to such a degree, the Council after our first hic-cup led by the Warden Robert McKenzie and Council Clerk Alan Crockett, became our best supporters, along with the Forestry Commission who had always given excellent support.

E.N.E.S.S.S.A. Cross Country
at Griffin Park, Mathinna.

The annual E.N.E.S.S.S.A. Cross Country Carnival will be held at Griffin Park Mathinna on Tuesday 27th August. Schools from as far away as Flinders Island in the north and Ross in the South are expected to attend. It is anticipated that there will be approximately 550 primary school children participating.

An innovation for 1991 will be the holding of a Teams competition in 3 divisions for the first time. This teams event will complement the individual events.

In division "A" there should be close competition between St. Helens St. Marys and Scottsdale.

Flinders Island looks to be the school to beat in Division "B". Division "C" could see Avoca in the lead at the finish.

IN MEMORY: For Leone, in absentia.

FOOTBALL NOTES

JULY 20

St. Marys were at home to St. Helens, and in greasy conditions, ran out easy winners by 85 points.

Final scores: 14.10 to 1.3.

GOALS: ST. MARYS: A. Viney, R. Hoskinson 3, R. Salter 2, G. Murfett, D. Ridgers, D. Burgess, M. Viney, B. Leedham 1.

ST. HELENS: C. Brown 1.

BEST: ST. MARYS: L. Dakin, S. Dakin, J. Miles, S. Wiggins, M. Ridgers, R. Salter, S. Miller, R. Hoskinson, P. Barnes.

ST. HELENS: C. Stoltenberg, A. Griffiths, S. Walley, J. Leonard, S. Watts.

RESERVES: After trailing at half-time by 9 points, 1.9 to 4.0 St. Marys finished better, to defeat St. Helens 13 to 5.4.- a margin of 33 pts.

BEST: ST. MARYS: A team effort.

GOALS: M. Duniam 5, J. HAAS 2, G. McDonald, D. Berwick 1.

Other details not available.

UNDER 16's: St. Helens defeated St. Marys by 27 pts, final scores being 7.10 to 3.7.

JULY 27

St. Marys journeyed to Fingal and had their unbeaten record dented in a close encounter. Fingal were first to the ball and more desperate to win. They led by 14 pts at half time and held on to win by 11 pts. Final scores being 9.6 to 6.13. This win throws the premiersip results wide open.

ST: FINGAL A good team effort.

ST. MARYS: S. Miller, G. Brown, J. Miles, A. Viney.

GOALS: FINGAL: M. Street, S. Curran 3, T. Davis 2, S. Massey 1.

ST. MARYS: A. Viney 2, S. Dakin, G. Mur-

fett, M. Viney, J. Miles 1.

RESERVES: St. Marys defeated Fingal by 12 pts. Scores being 8.13 to 6.13.

BEST: ST. MARYS: R. Barnes, L. Spilsbury, C. Smith, D. Berwick.

GOALS: M. Duniam 3, L. Spilsbury, D. Berwick, 2, J. Viney, S. Nolan, J. Haas 1. No other details.

UNDER 16's: Fingal scored a big win in the junior game, completely outclassing their rivals, 20.15 to 2.0. A winning margin of 123 pts. Sorry, no other details.

After the last couple of Saturday's games, I and many others wonder just where our game is going; downhill I think. I probably won't be very popular writing this, but it is what I feel.

Saturday 20th, one of the smallest men on the ground got a broken nose from a deliberate attack: no report.

Saturday 27th, a player having his number taken: no report filed.

One senior player before this, on his second striking charge for the season: 1 match.

Too many Reserves players are only interested in head-hunting, and not playing the ball, and quite often spurred on by their coaches.

Last Saturday at Fingal, an all-in brawl of players and spectators, each side blaming the other, but the fact is spectators should not be on the ground anyway. Let the players and umpires sort it out. Most of us watching can become very vocal, but this is as far as it should go.

Coaches Boxes Far too many in or around leads to trouble too. And why this season isn't there any police attendance?

Cont'd from Football Notes...

The Association must get their game together, umpires must protect the genuine ball players, and we spectators must do our part too, or our game will deteriorate further.

ST. MARYS GOLF NOTES

by Tee Up's Mate

During the past fortnight the club has conducted the Mens and Associates Foursomes Championships.

In the mens foursomes both the scratch and the handicap titles proved to be very close indeed.

In the scratch, victory went to Steven Dawson and John Newman by 1 shot from Drew Berwick and Jason Costain. Congratulations

to both pairs for a good effort in tough conditions. In the handicap Craig Searle and David Bain came home really well on the second day to force a count-back with Drew and Jason.

In a close result Craig Searle and David Bain won out but again congratulations to both pairs for an excellent effort.

The Associates foursomes event also proved to be a good contest although close finishes did not result. In the scratch May Cook and Mary King played consistantly both days to take the title and the handicap champions were Yvonne Davern and Colleen McGee with a good score. On a sadder note, it's upsetting that our ladies golf secretary and friend to all, Kath Wright has taken ill recently. Kath from all of us at the club we hope that you soon feel better and ready for golf again. M.D. Webb and Co. through Andrew Haas ran an excellent day last week with a 4BBB Stableford. The winning team of Shane Davis and Olivier Chartrain played well in those cold conditions and were worthy winners. Thanks Andrew and company for donating the day. Don't forget this weekend is the President and Vice President's Day on Saturday and the Scamander

NATIVE TREE PROJECT

The loss of our library and staffroom block is a problem we certainly could have well done without.

Our major concern is to minimise any disruption to the learning programs of our students, to return to some state of normality as soon as possible and to look forward positively to establishing better facilities.

While we have been able to organise some emergency short-term arrangements to relocate classes and staff, the resourcing of the library will be an urgent and mammoth task.

There is much to be done during the next few weeks to improve existing facilities through minor works and to plan the major works to follow.

We have been gratified by the immediate and positive support from officials of the Department of Education and the Arts who visited us on Friday. There is an appreciation of the scale of the problem and the need for urgent and effective solutions which will satisfy the immediate and long-term requirements of the school.

The assistance and offers of support we have received since the fire have been of great encouragement to us. We very much appreciate it.

In particular, we thank the members of the St. Marys Fire Brigade whose prompt action prevented what could have been a much greater disaster.

We also thank members of the Department of Construction (D.M.R.), the H.E.C., Telecom, the Police Department and individual contractors and friends for their assistance in clearing the site and restoring services.

Graeme Beswick.
PRINCIPAL.

Our shadehouse has been completed, seed collected and thousands of trees grown. One plantation has been planted and another is soon to follow. In the first plantation, 129 trees were planted on Jim Napier's property at Millbrook on July 2nd. The plantation is near the Mt. Nicholas turn-off and we will soon have signs erected to draw attention to it. Thanks to Helen and Jim Napier for their help with this. About 200 blackwoods will soon be planted on part of the school farm adjacent to Gray Road. Students will be planting these trees over the next few weeks. Thanks to the Lions Club of St. Marys for their help and support with this project. Particular thanks to Alan Gray and Greening Australia for their generous support and expertise.

STUDENT PROJECTS

1. SHEEP AND CATTLE YARDS

We are in the process of completely rebuilding our old sheep yards - job which was begun last year. We are cementing the yards and making minor modifications to their design to make them useful for cattle as well as sheep. The Grade 9 Agricultural Studies class is cementing the yards using the 'cemented dirt' method. Goliath Cement Company has generously donated the cement and we would also like to thank Wayne Morris and the St. Marys D.M.R. depot for lending us some machinery for this work.

2. STRAWBERRIES

The Grade 10 Agricultural Studies class has secured sponsorship from APPM to the tune of several hundred dollars for a strawberry growing enterprise. Some 200 plants have been purchased from Victoria and these will be planted later this month.

Hopes are high that this enterprise may make a significant contribution to farm funds over the next few years. Thanks again to APPM for their help and also to Mr. Peter Lohrey for his advice and interest in the project.

3. TULIPS

Following a trial run last year in which a small number of tulips were successfully grown, some 100 bulbs have been planted this year and are growing well. We hope to market the flowers in September.

4. ELECTRIC FENCE

Our electric fences, donated by Thunderbird Electric Fencing Systems, have been completed and are working well. Students in Agricultural Studies classes have been involved in some strip grazing work and are becoming very skilled at dismantling and erecting the temporary fence.

STOCK REPORT

CATTLE: Our two cows are due to calve in September. Two steer vealers were sold in January and another two will be ready for market before Christmas.

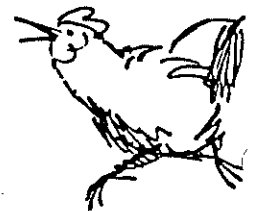

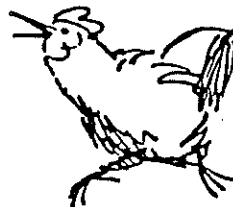

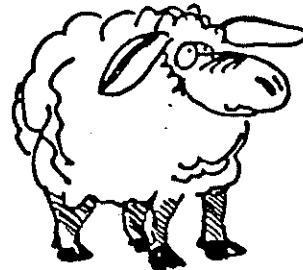

SHEEP: We have reduced our numbers this year (hasn't everybody!?) by selling our wethers last December off shears. We have begun building up a lock of Polwarth/Border Leicester ewes by keeping 14 of last year's ewe lambs. These have been crossed with a Poll Dorset ram. Lambing is due to start around the middle of September. We are currently running 27 Polwarth ewes, 14 maiden crossbreed ewes, 1 Poll Dorset ram (Mike Tyson) and 1 Border Leicester ram (Jeff Fenech).

16 fat lambs were sold in January. Our original Border Leicester ram died in Term 1, possibly due to a snake bite, and was replaced.

PIGS: Dot and Tess, our two sows, continue to be excellent mothers. Between them in the last 12 months they have produced 48 porkers for the farm. Their most recent litters are due to be sold in early August and they will be going to Blue Ribbon who are providing us with feedback on weights and back fat etc.

This will be valuable information for monitoring and improving our future production and also for the Grade 10 Agricultural Studies class who have made a major study of pigs this year. In early July Mr. Peter Maynard from the Department of Primary Industry demonstrated to the students modern weighing techniques, back fat measurement and pregnancy testing. The sows are due to farrow again towards the end of September. Thank you to Dennis Rice for lending us his boar when we need him.

POULTRY: 12 point-of-lay pullets were purchased in February this year. Once again primary students are handling the day-to-day responsibility of egg collection. The Wyandottes from Robert Davey continue to provide much needed colour to the farm and we hope to augment this flock in the near future.

THE GOLD MINE

One day a little old man was walking in the bush until he heard a crackling noise at his feet. Then he felt himself going down and down and down. He was nearly at the bottom now, but he got caught in a spider's web. He could not see what was underneath him because he had his eyes closed. When he opened his eyes he saw what was under him. He shouted out, "Yippee! I'm the richest man in the whole wide world!" Then he got some trucks to put his house down the gold mine. If you want to know any more, ring this number: 725684.

LETTER TO THE EDITOR

In response to Mr Eric Bean's letter concerning the electric fence on the school farm, I would like to make the following points:

- all students have been told that the farm has an electric fence.
- in areas where the electric fence runs to where students walk to and from school (such as the farm laneway), clear warning signs are erected.
- in such areas, the electric fence wire is positioned on the opposite side of the fence to students. They would have to climb over, or deliberately reach through the fence in order to come into contact with the "hot" wire.
- gates on the farm are not electrified.
- when we know that students will be moving through the farm (such as in the cross-country), the electric fence is turned off.

Students walking through the school farm have nothing to fear from the electric fence provided they use the gates provided and not jump fences.

Craig Searle.

Thomas Street, SCAMANDER

COUNTRY WOMENS ASSOCIATION

It was just 52 years ago, on the 4th July, that the Fingal CWA was formed, and sad to say it is now in recess. The initial meeting was held in the "Oddfellows" Lodge Rooms, under the old Council Chambers. Much useful work was done during these years especially for the war effort. Camouflage Netting, to cover the machine guns, Sheepskin Vests for the Navy, along with many knitted garments. Donations were made towards the purchase of a school piano, and sewing machine for the St. Marys hospital, along with various other charities. The first office bearers were::

President	Mrs Simpson
Secretary	Mrs D'Emden
Treasurer	Mrs Lena Cowie.

Life Members were: Mrs Dora Egan, Miss Laura Williams and Mrs Vida Legro. Mrs Legro having been a regular member from 1939 till she retired her position as Secretary in 1985, having held the position for 41 years.

CONGRATULATIONS AND BEST WISHES
TO PAULA AND CHARLES FEARMAN
OF "WOODSPEN COTTAGE" UPPER
SCAMANDER, WHO CELEBRATE THEIR
50th WEDDING ANNIVERSARY ON
TUESDAY 6th AUGUST.

"GOD BLESS YOU"

When we won the Tasmanian Tidy Towns we were all very excited.

It was the Mathinna Primary School Concert on the same night and everyone was on a HIGH including the children. It ended up being a real comedy - we had fairies running onto the stage without wings, dragons blowing smoke the wrong way etc. etc. and nobody cared!

We were so proud you would have thought we had won the lottery.

Of course the winning prize of \$1500 was like tattsлото to the Tidy Towns Committee who had been existing by running BINGO nights to cover expenses.

THE NATIONAL CONTEST.

After Christmas we soon got going. You have to work on projects in the summer at Mathinna because it is too cold in the winter. It was a lot of fun and the IN thing was to work in the GANG I guess it was like going to a Garden Party but you went to a Painting Party or clean up the Recreation Ground Party. We talked about all the gossip as we worked, and invented new gossip to keep the town buzzing!! At this time Ian and I were invited to a Garden Party at Government House in Hobart, I thought it was very similar to a Recreation Ground Party except you didn't have to work! By March the 11th when we were judged for the Australian Competition the town looked excellent and we were very proud of our efforts. We were again helped by the Forestry Commission to make a video to send to Canberra as part of the judging. On May the 3rd Mavis Brooks, Ian Hardman and I left Mathinna at 5 am and headed for the Nations Capital quite convinced we would win the award.

More on this subject in the coming issues.

RETURN THANKS

LLEWELLYN ANNIE

JUNE 7th 1991

Her husband Perce, son David, Daughter in law Julie and all her Grandchildren, wish to thank relatives and friends for the many expressions of sympathy received after the sad loss of their loved one.

We appreciated the cards, phone calls, flowers, visits and attendance at the beautiful service conducted by the Rev. Warwick Humphries.

Would you please accept this as our personal expression of gratitude and appreciation.

Diversional Therapy has been progressing very well in the St. Marys area. On 9th May we took part in a Health Awareness Day in the RSL Hall. It was very successful. We had a display and demonstration of many of the things we accomplish at Diversional Therapy. The public were very interested as they watched some of our clients at work. We played Bingo and had morning tea as well. At our DT sessions we have clients from miles around from Mathinna, Eingal, Manganá, Cornwall, Upper Esk, Gray, St. Marys, Scamander, Bicheno and St. Helens. They all really enjoy Bingo and our volunteers work hard at making it a stimulating experience for all. It seems to get them ready for the other activities that we offer. After Bingo we have a special lunch by gathering around in groups and have dinner music and a restaurant atmosphere. Our clients find this an excellent time to socialize and catch up on news. In the afternoon we have a variety of activities. Some of our activities include mental stimulation games, quotes, musical memories, cooking of favourite dishes and reminiscing.

We have a notice board which we decorate with themes appropriate to the time of the year and we receive quite a few comments from this. They also enjoy singing afternoons singing old favourites. Last year we had the school children come and sing and spend time with our clients and they were very special occasions which we plan to continue this year.

Our local HAAC Bus is available to transport anyone who would like to come up to our Day Centre and is also available to take people to other towns to visit relatives doctors appointments etc. For further information Phone; P Burgess Ph. 722350 or Hospital, PH. 722111

Criteria for eligibility

1. Frail aged.
2. Disabled persons any age
3. Disadvantaged persons.

LETTERS TO THE EDITOR

Dear Sir,

WOMAN'S WORK AND THE CENSUS

Mothers, housewives, farm women and unpaid charity workers are faced with a dilemma over the pending census.

They are being encouraged on the one hand, by a world-wide push, led by NZ feminist Marilyn Waring, to list their working contribution in the census regardless of the fact that it is unpaid work. On the other hand, the Australian Bureau of Statistics, whilst empathising with women-at-home who want to gain greater recognition for their hours of effort, is making a plea for them to resist the temptation to register their work and distort the census figures.

If women follow Ms Waring's advice they will disregard the ABS stipulation that home duties do not count and instead of being diverted from question 30 directly to question 40, they would continue to answer the questions 31 - 39 about job type.

For example, at questions 34 and 35, which apply to the type of work and tasks performed, housewives are being encouraged to fill in their duties as manager, child carer, house-keeper and laundrywomen.

The ABS's counter-argument is that moves are afoot within the Government and the ABS to get the contribution of the home and voluntary workforce included in national account and gross domestic product. To approach the census in the manner that Ms Waring is proposing would distort the census data which is in effect, the only way we have to show how little things have changed for women in the workforce. Any gains that have been made through award restructuring and equal opportunity will be veiled if the statistics are fuzzy.

Yours Sincerely,

JOHN WATSON

Senator for Tasmania

ST. MARYS TENNIS CLUB
ANNUAL GENERAL MEETING
WEDNESDAY 28th AUGUST 1991.

7.30pm.

ALL WELCOME

PUBLIC NOTICE

THE INSTITUTE OF STATUTORY NUISANCES.

At the July meeting at TINGAL TONNCIL, members of the St. Marys Chapter discussed a paper entitled "Is the corby a nuisance under the Act?" which considered the provisions of section 599 (1) (G) relating to cockroaches, etc. A survey is to be undertaken to identify new members. Applicants meeting 2 of the guidelines for membership will be admitted as full Statutory Nuisances (STANS) while others will be admitted as Fellow Nuisances (FENCES). The next meeting will be a joint meeting with the Pingal Reformed Druids to discuss "The roof - a vehicle for communication." Entertainment afterwards by the Mangana Morris Dancers.

"Blessed be the cracked, for they shall let in the light upon dim councils"

MARGARETE WHITE.

COTTAGE CHEESE LOAF

- 1 kg cottage cheese
- 2 cups rolled oats
- 2 large onions
- 3 eggs
- 2 tps mixed herbs
- 1/3 cup milk

Peel & grate onions or chop finely.
Combine all ingredients, blend
together well. (1 tbs soy sauce
may be added). Pour into well
greased deep 20cm casserole. Bake
in mod. oven approx. 1 hour or
until firm.

Submitted by Julie Cornelius

IRISH CREAM

- 1 cup whisky/brandy
- 1 can condensed milk
- 300g cream
- 3 eggs
- 1 tbs carob/choc. syrup
- 1 tbs coffee
- 1 tsp coconut essence

Blend all together

Submitted by Julie Cornelius

PINWHEEL PALMIER

- 1 sheet ready-rolled puff pastry
- 2 tsp butter, melted
- 1/4 cup pecans or walnuts, chopped
- 1/4 cup blanched almonds, chopped
- 1/2 tsp ground cinnamon
- 2 tsp castor sugar

Brush pastry lightly with butter,
spread combined nuts over pastry.
Sprinkle with combined cinnamon
& sugar. Roll-up pastry from one
side to form a tight roll. Cut
into 5mm wide slices. Place on
greased oven tray. Bake in hot
oven for about 10 minutes or until
lightly brown & crisp. Cool on
trays. Makes about 40.
