### The Say by Cagerattler

Over the past few weeks there has been much talk and consideration (including a petition) to the strong possibility of St Marys once again having the chance of a resident chemist.

If memory serves me it would be at least 25 years since this has been the case.

I hastily signed that petition as we all should. Why anyone wouldn't sign it or would object to it is totally beyond me. Doesn't make any sense to me.

Given the obvious advantages to our long suffering community, this is a golden opportunity to have an essential service restored, and all credit must go to the proponent. This person should be given every support and encouragement.

Therefore WE MUST lobby the health care officials giving the approvals to such an issue, and voice our desires for a pharmacy at St Marys once again.

It seems all over the place that rural doctor shortages continually crop up. Much has been made of the St Helens Hospital doctor issue of late.

It's also likely that one of our own doctors will be away for some time in the near future.

The next thing is hospital and pharmacy services you would think.

Luckily we do have a top notch country hospital (sorry: Health Centre). Now with the prospect of a chemist very close by, other health delivery services

fears are potentially allayed somewhat.

I challenge anyone who objects to a St Marys Pharmacy once again, to tell us why in the next issue of the Valley Voice. I'm sure we'd all love to hear your reasons. They must be doozies.

Surely no-one could object to such a wonderful opportunity.

*What do you think?*

## A LITTLE BIT OF HERITAGE: *by Jim Haas*

*We are Rossarden, we are the team  
We can't be beaten, that's easily seen  
At the end of the season, you'll know the reason  
Why we are the Premier team.  
We went to St Marys, and showed them our best  
And they will always remember, The Boys from the West..*

How many of the old boys from the Fingal District Football Association remember singing, or being in the opposing change room to the mighty Rossarden football team of the 1960's and hearing the mighty roar as players and supporters lifted the roof with their famous theme song?

Rossarden first fielded a footy team in the 1930's. Its modest beginnings, however, saw it frequently thrashed by the more established teams from down in the Valley. But as the mining at Rossarden and Storys Creek grew, so did the footy team, and by 1956 the white jumper with the red V had become a force to be reckoned with and the "Red Legs" won their first Grand Final.

The taste of success was sweet and with the help of Bob Miller, a successful coach from Launceston's City South Football Club and the Aberfoyle mine management, (who it was said gave employment preference to any man who could play football,) the team became one of the greatest forces in country football.

From 1961 to 1965 they won every premiership and were almost unbeatable in any match they played. Indeed, if any of the other teams beat Rossarden in a roster match, it was celebrated like a Grand Final win.

During that era Rossarden played homage to some of the best footballers seen in country football. Players like the Lowe, Tapp, Hawkins, Lewtis and Williams brothers, along with Gus O' Boyle and Colin Cruickshank would have made any side in Tasmania.

Every player who went to Rossarden in those days to play footy would remember the ground, it was hard and rough, with very little grass and unless it was covered with snow, which was often the case, a player would think himself extra lucky if he finished the game without a gravel rash, or two.

But the Rossarden boys and their supporters were a friendly lot and every team who visited their humble town was made most welcome and although it was painful for visiting teams to have to listen to the roar of the familiar theme song, a roo patty barbecue and a cold beer was always there to be shared.

For the St.Marys Boys, a trip to Rossarden for a spot of footy on any given Saturday was always a day to be had. With the time spent at the post game fellowship, a stop over to say "good day" to Don and Bev Doran at the Ben Lomond Golf Club and call into the Fingal Hotel to see how the Fingal boys fared, it was a long day, but one you would never miss.

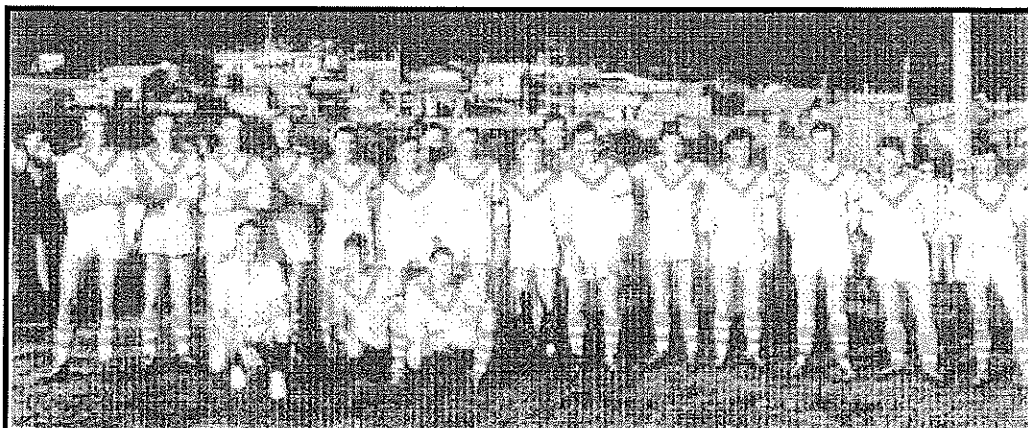

1966 saw Swansea and Rossarden dominate the FDFA, with Swansea taking out the flag after a hard fought season. But Rossarden bounced back and took out their final Premiership Flag in 1967.

The start of the 1970's saw a down turn in tin and wolfram which saw the beginning of the end for mining at Storys Creek and Rossarden. Many young men left town causing the Football Club to fold in 1972, and whilst the mine struggled on for another ten years, most of the few footballers left, ended up boosting the ranks of Avoca.

The domination of the boys in red and white from the mountain in the sixties, raised the bench mark in the FDFA to a point where the 1970's and 1980's saw a standard of football equal to any country association in Tasmania. But alas, the Rossarden footy team will never come to St Marys and show them their best again because the Tigers like the Red Legs and indeed the FDFA are dead and buried, God rest their souls, and all that remains are the memories. And with those few left with the memories getting fewer each year, that wonderful time in our sporting heritage will soon be forgotten for ever.

*Thanks to Narelle Backaby's "Rossarden: Echo of the Mountain" for information on this story.*

## Police report

It is pleasing to report that there have been no issues of crime occurring in the valley. There are several matters I can bring to attention concerning general nuisance problems over the past weeks.

Trail bikes termed as 'recreational vehicles' are still a problem around St Marys, annoying the peace and quiet of local residents.

It is an offence under the Noise Environmental Act to ride any trail or recreational vehicle in areas within 500 metres of any dwelling.

Road works are still under way on the Esk Highway. Please observe the speed signs and drive accordingly.

School Bus speed zones also apply. When the orange flashing lights are activated, a speed of 40 km/h is applicable passing the bus in both directions. Special attention will be given to this matter, so beware, safety of children is paramount.

## Letter to the Editor

My congratulations to Shannon Rosskelly for his great essay on ANZAC Day and what it means to him, featured in the last issue of the Valley Voice.

From one so young, I thought it was an excellent piece of literature.

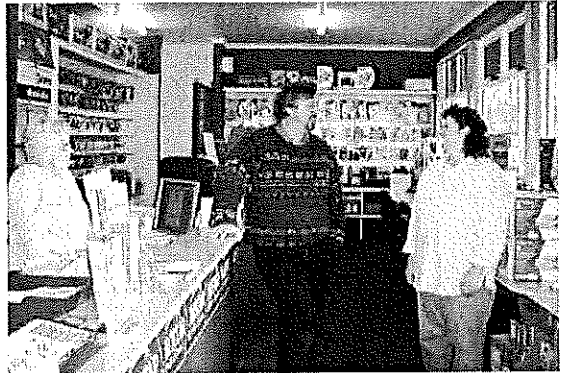

I have also been told that the general standard of entries for the ANZAC Day competition was excellent, particularly another section winner, Chloe Singline.

With all the talk in recent times of poor literacy levels in our young, essays such as these must be encouraging to parents, teachers and indeed the general community, and one can only hope that more competitions can be sponsored and more essays published in the pages of our local Voice.

# OUT OF THE WOODWORK

by Reon Johns, Pres: 63722094

By the time this goes to print the sewer should be connected. We have applied for the electricity connection and things are looking great.

If this keeps up we should be in business soon. It seems only yesterday that the Guild was only an idea. Now it is almost a reality. Thanks to all the people who helped out over the last 2 years.

We would appreciate any used egg cartons, just give me a call or leave them on my front porch. The Guild will use these for sound proofing and insulation.

The logo competition will close soon, the 1st of July in fact, so get those entries in if you are still wondering on a design.

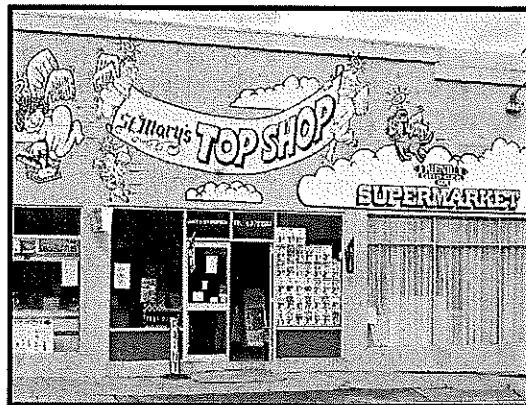

Here are the rules again for the Guild's logo competition.

1. The design must be on A4 paper.
2. Must be in black and white.
3. Must contain the words "Break O'Day Woodcraft Guild Inc."
4. The Guild reserves the right to change or alter the winning design.
5. All entries remain the property of the Guild.
6. The competition is open to anyone.
7. You can enter as many times as you like.

All entries can be lodged at the e.ScApe Café. Make sure that you have your name, address and telephone on each entry.

This competition will close on the 1 July 2006 and the winner announced in the following issue of the Valley Voice. Good luck to all who enter.

The next meeting is Saturday May 27, at 4.00 pm in the Goods Shed behind the St Marys Railway Station.

## ST MARYS SESQUICENTENARY 1857 – 2007 CELEBRATING 150 YEARS

The St Marys Association for Community Development (SMACD) in association with the Break O'Day Woodcraft Guild, St Marys Lions Club and the e.ScApe Café Gallery have created a unique St Marys calendar from photos entered into the recent St Patricks Head Festival Photographic Competition.

The calendar titled "the next generation and others" will cover the coming financial year (July 06 – June 07) with each month showing a familiar young St Mary's face.

SMACD President Reon Johns said the calendar will make a great gift idea for family and friends particularly those living interstate or overseas.

Calendars will go on sale in the coming weeks at \$17.95 with the launch to be held at this years Winter Solstice.

ALL money raised from the sale of the calendar will go towards the celebrations for the St Marys Sesquicentenary (150 years) in 2007.

Many events are being organised, with participation from many groups.

## The Vital Early Years - Speech Pathology

Parents often wonder how well their child's speech and language skills are developing. You may be one of these parents. The best way to find out how your child is going is to have a chat with a Speech Pathologist. Getting help EARLY is the key as children often DO NOT out-grow their speech and language difficulties and these difficulties may contribute to social learning and behaviour problems.

No skill is more vital to your child's future success in life than the ability to communicate effectively. 1 in 10 preschoolers have significant speech and language difficulties. Don't let your child reach Kindergarten with these problems. Help is available now.

Come along to discuss some ideas to help your preschooler at the St Giles Therapy Centre in Launceston or in your local community. We are currently working in Launceston, George Town, West Tamar, Deloraine, St Helens, Fingal Valley and Campbell Town.

If you'd like to see a Speech Pathologist for a chat or "check-up" please contact us on 63430218 for a free appointment.

## Aussie ingenuity at it's best!

Telephone conversation goes:

"Hello, is this the police?"

"Yes it is. How can we help you?"

"I'm calling to report about my neighbour, Wazza. He's hiding contraband inside his firewood!"

"Thank you very much for the call."

The next day, police officers descend on Wazza's house in great numbers. They search the house and then go out to the shed where the firewood is kept. Using axes, they bust open every piece of firewood but they find no contraband.

They swear at Wazza and leave.

The phone rings at Wazza's house.

"Hey, Wazz. Did the cops come?"

"Yeah!"

"Did they chop up your firewood?"

"Yep."

## St Marys Netball news

Mixed results for the teams over the last fortnight but all three divisions are still well placed on their respective ladders.

13 May

### Division 1

The girls had a bye this week.

### Division 2

The girls were brought back to earth with a 43 - 29 loss to Surfside. Time to go back to basics and pay a bit more attention to their passing.

### Division 3

This team continues on its winning way with a 39 - 26 victory against Georges Bay.

20 May

### Division 1

Being short a key defender cost the girls dearly and they went down fighting to East Coast 50-36.

### Division 2

The girls played good solid netball and while there were still a few loose passes it was a disciplined 52 - 37 victory against East Coast.

### Division 3

Another solid victory against East Coast by 4.

## Socceroos at World Cup

The 2006 FIFA World Cup, being played in Germany is nearly upon us. It is very exciting that Australia will be represented for the first time since 1976. Australian soccer still has some catching up to do, as since 1974, Australian sport has excelled, winning 2 rugby world cups, 3 cricket world cups, about 200 Olympic gold medals, and has won the ashes twice.

The Socceroos have been drawn in Group F, and need to come first or second in the 4 team group to progress to the knockout stage of the competition.

## St Marys Sports Centre news by Kackhander

To pennant first, and well done to Malahide for their first win against St Marys, anywhere since 1995. That's 11 years and 23 games since the last time, and they were by far the better team last Saturday.

This win puts them back in with a good chance for their first pennant in A Grade since 1981, but St Marys is still in the hunt, as this was only the second loss of the season, like Malahide. St Helens, courtesy of a huge clean sweep win at Freycinet are on top of the ladder, but face away games at Malahide and St Marys to stay there. It is very, very tight overall, and any one of those three teams can win a pennant.

For us it's very reminiscent of 2002. Noone involved in that will forget that win for us then, and it's up to us to do it again.

Congratulations to Jack Viney and Chris Davern for top wins at Malahide and a special mention to Mark Birch for his incredible 4 hole deficit result to win as well. It was great to get the 3rd win which helps with our games count.

This weekend we travel to Scamander. It's never really easy there, but we do have a good record over the past few years, especially having won each time since 2002. It's a must win for us now, but that's why St Marys has won so many flags over the years.

Following that we have Freycinet at home the next week, and need a full win to set us up for the last two games. It's up to us.

A big apology to one of our main sponsors on the Reverse Course Challenge Day, on May 7th. I somehow forget to acknowledge Roger and Alana Donald as sponsors, with those previously mentioned in last issue, who helped put on the tucker for the players. It was a rushed job doing the column, as it had to be in earlier than usual, and I missed off their names. Sorry about that.

A very special thank you to Dale Ridgers for his ongoing sponsorship of the Ray Ridgers Memorial Trophy. This was played last weekend, with our biggest field for the year to date, for a singles event. This shows how much high regard, even after 16 years since Ray's passing, that he was held in, and is a much sought after event to win each year.

Congratulations to Roger Donald, recording a great 60 nett to win the event, believe it or not by 1 stroke to his son Kodie. Brent Leedham also recorded a good 63 nett, as did Don Targett on 64. Dale Ridgers shot 69 off the stick, which is now equal best score for best gross for 2006, and Jack Viney shot a solid 72, to take the gross trophy, donated by Dale as well. Thanks again to Dale and the Ridgers family. Also to Alana Janice and the crew for their catering on the day. Fabulous, it was!!

This Saturday it's the Lefties versus Righties Challenge, commencing at 11 am. Lefties, make a big effort to be there, so we can pinch the shield off the Righties!

On June 3, it's the next Perpetual Trophy. This is the Harold and Tom Newman Memorial Trophy, sponsored by the McGiveron, Gavaghan and Singline families.

The real big one for the year in regard to sponsored days is the McDonald's Cup, on June 11th. All the McDonald family put a huge amount of effort into this incredible day, which brings many former members and friends back to the club for a heap of fun. Macca is a marvel with his organisation, and his efforts are legendary. Let's see you all there. More details next issue.

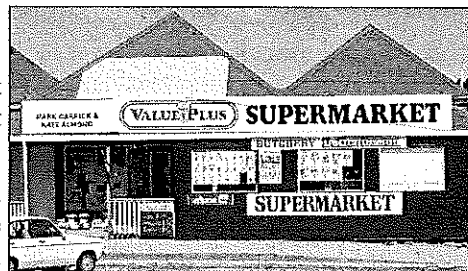

A request too, is for a few golfers to go to the St Helens Tournament on Saturday June 10th. We want some to attend to honour our commitment to all local clubs this year.. Let's make an effort.

The Annual General Meeting has been set for Friday, June 16th at 7.30pm. All the usual things will occur at the meeting. A good attendance is a must. Nominations for next year's committee are now being taken, and must be in by June 2nd.

This Saturday morning, May 27th, there is a working bee at the club. Details at the club.

Our condolences to new club members, Christine and Gary Donovan, in the loss of Christine's mother early this week. Our thoughts are with you.

*Anyway, until next time, good hitting and rolling.*
